

ADDENDUM FOR SMS TEXTING SERVICE

If the Customer takes the SMS Texting service, the following provisions shall apply:

1 Words and phrases defined in the EMtel Terms and Conditions (a copy of which is annexed to this Addendum) ('the EMtel Terms and Conditions') shall where the context admits have the same meaning in this Addendum.

2 The provisions of the EMtel Terms and Conditions shall be deemed to be incorporated into the Contract with the Customer for the supply of the SMS Texting Service (insofar as the EMtel Terms and Conditions are applicable to the provision of the SMS Texting Service) except as varied by this Addendum. Without prejudice to the generality of the foregoing the provisions of clause 4 of the EMtel Terms and Conditions (The Customer's Responsibilities) will form part of the Contract.

3 The contract for SMS Texting is for the purchase of the right to send a specified number of SMS texts within a specified period as set out on the Order Form. One text sent to one address is counted as one text, and if the same text is sent to multiple address is will be counted as the number of addresses to which it has been sent.

4 If the Customer does not use all the number of texts purchased within the specified period they cannot be carried forward to another period.

5 If the Customer sends more texts within the specified period than the number purchased any additional texts sent during the period over the number purchased will be charged at the rate for additional texts specified on the Order Form.
